

FENCE & RETAINING WALL CONSTRUCTION SOUTH-EAST QLD

Apollo CMS has a BSA licensed team of fence and retaining wall installation specialists and can work with a variety of materials including: DURAWALL concrete retaining wall systems, rock, keystone, block, timber and colorbond fences, etc.

Our team can handle the complete process (including council approvals, removing your existing retaining wall, installing your new retaining wall and even installing your fence!) so you can enjoy complete peace of mind every step of the way.

All works undertaken by Apollo CMS are fully licensed and insured. We are CM3 compliant and have a strong compliance culture with an emphasis on Licenses, OH&S, Insurance and Workers.
